You may be entitled to tax credits if you have made donations to a charitable organisation and/or paid for child care or voluntary school fees.

These tax credits are processed separately to your income tax returns.

Our fee for this is 15% and a minimum charge of \$35 per financial period of the return. This means that the total amount of donations and/or childcare you have paid would have to be at least \$235.00 per financial period for this to be filed.

For us to process these tax credits for you we require the receipts/statements to show the amounts, periods and organisations involved. We can receive these by scan and email, fax to or post (Original receipts will be returned to you).

Please attach receipts requested and email to secure@mytax.co.nz, print and post it or fax it back to us.
